

## AUV Meeting Minutes

November 1, 2023

- Collin presented a CAD drawing of the vehicle showing proposed weight modules to the exterior.
- Potential waterproofness testing mediums:
  - Swimming pool (Matt's swimming pool may be available)
  - Large storage bin
  - 50 gallon garbage container (what we've been using)
- CAD model: we will potentially 3D scan existing AUV model to make a 3D CAD model.
